# CURRUMBIN CONSTRUCTIONS FORMWORK GROUP

*Established in 2002, the business was created by Graham and Russell with a small operation out of Currumbin Waters. Since then the business has grown and both directors have been very successful in creating an elite team around them.*

*Our priority is to deliver on time, and within the scope of works. We pride ourselves on the high-quality standards we set from in the office to onsite, this includes safety, meeting programmed dates and guiding our younger generation.*

*Our most important part of the business is the workforce which many who have been with the company for over 10 years. Many of our clients appreciate this, as they have continued working relationships with our staff, project after project.*

*Our capabilities take us as far up north to Rockhampton – Gold Coast and as far south as Newcastle – Gold Coast.*

*We have a fleet of vehicles to transport our materials to your site in an efficient and effective manner including utes, trucks, forklifts and telehandlers.*

*We are a licensed subcontractor in QLD QBCC: 1046625 and NSW Fair Trading: 164728C.*

# JLF CORPORATION PTY LTD

*Custodian has been educating Australians of all walks of life on how to use the equity in their home to harness the true potential of Real Estate investment and the true value of Land. The company was created 25 years ago by John L Fitzgerald (JLF), who believes education is the key to action. It is part of the JLF Group of companies (created 40 years ago).*

*Our mission is to educate, engage and motivate our clients to be all they can be; this motto is the final step of the “7 Steps to wealth” book that John wrote more than 30 years ago, to support one of the projects closest to his heart: The Toogoolawa Schools. John founded the school in the late 80’s to ensure that children who did not have a great start in life and would struggle to confirm, would aspire to a better future.*

*Just like our Custodian clients, they too have been learning to be the best version of themselves by learning about their possibilities – not their limitations.*

*Knowledge is power. At Custodian we educate on the potential of Compound Growth in Real Estate.*
