WELCOME

FROM THE GM.....

A few words from Gold Coast Basketball General Manager Joel McInnes.

Welcome back to the RollerDome!

It was only a few months ago we saw an epic three game grand final series with our Men's Rollers missing out on back to back titles.

Well it's time for a new teams as we start the home season against SouthWest Metro Pirates.

Thank you to our returning sponsors and new partners who are supporting our teams, and the fans who who out and make the noise for our teams.

Let's get this season started!

2024 GC ROLLERS

The season tip off sees both our Rollers teams waiting for players to join their groups.

For the men, Will Magnay after being a prominent member of the Tasmania Jackjumpers incredible victory in the NBL is still recovering from an injury from the series and won't be playing this weekend. We wish Will a speedy recovery and look forward to him on the courts soon. Also a massive congratulations to him being selected to the Boomers squad for the Olympics.

Jason Cadee will lead the Men with a bunch of familiar faces this season for the Rollers, but keep an eye out for new additions, Boston Mazlin and Daniel Titus, both should impress early.

The Rollers men will also potentially have some college players returning and another signing that we are working on at the moment.

2024 LADY ROLLERS

For the Lady Rollers, it's going to be a tough start to the season. Lisa Koop, who had a long international career playing for Germany is good to go, but we are waiting on Myah Selland, who is finishing her season in Spain.

We are very excited to announce this in a few weeks. We also have several girls returning from college we are hoping to get clearance to bolster the squad.

With an already thin squad with some familiar faces and some new talent, we are hoping that some clearances come through for our local NZ residents in time for the game, otherwise it's going to be a very tough weekend for our lady Rollers. They will need all your help today!

PLAYER SIGNINGS....

LISA KOOP

Koop a 6'5 centre from Germany has had a storied playing career which has seen her play in Italy, Czech Republic, France, Sweden, UK and most recently for the Rockingham Flames in the NBL1 last season.

From Coach Paps: We are excited to have Lisa commit to the Gold Coast, with a young group experience was something that was on the top of our list when we were looking at our international players. Having represent her national team (Germany) and multiple years a professional she will be great for the young group to help continue to build and arrive our professional standards. She is a strong post player that will slot right into the team, and I look forward to seeing her on court.

MYAH SELLAND

Myah Selland, a 6'1 guard from South Dakota had an outstanding college career at NCAA DI South Dakota State University from 2017-2023 where she was twice named the Summit League Player of the Year in her career. The four-year team captain is the only player in program history to rank in the top five in career points (second), rebounds (fourth) and assists (fifth). A three-time second team College Sports Communicators Academic All-American, Selland won the Coach Wooden Citizenship Cup in 2023 for her character, teamwork and citizenship, and she was named the 2023 Summit League Daktronics Scholar-Athlete of the Year. Myah is currently playing in the Endesa League in Spain and will join the Rollers at the conclusion of her season.

PLAYER SIGNINGS....

CHANEL ENRIQUEZ-PAEA

From Coach Paps:

Chanel has impressed in preseason consistently getting better each week and I'm excited to see her development and impact in what will be her first NBL1 season.

Chanel has had a successful junior career with the Gold Coast having represented Queensland at U16 and U18 age groups whilst also representing NZ at the U16 FIBA Asia Championships in 2023. I'm excited to see what she will be able to bring into the senior program in her first year.

JAYLA CASSIDY

From Coach Paps:

Another graduate from our U18 program, Jayla has a great attitude and work ethic. She is a great athlete and while learning to believe in her own abilities, she has great potential and I look forward to seeing what impact she can make while also highlighting the great junior program.

PLAYER SIGNINGS....

TAYLOR LEE

From Coach Paps:

I'm excited to welcome back Taylor to the Lady Rollers after some time out of the game.

Taylor is a great role model for the younger players and her work ethic and standards will help drive the culture we are looking to build

WAIARIA HENDERSON

From Coach Paps:

Waiaria was part of the St Peters Cambridge High School team that dominated the NZ national tournaments for a number of years, after playing two seasons at Junior College in the USA, Wai has been playing in the NZ Womens National League (Tauhi League) playing for Whai.

From Coach Paps: Waiaria played for me a few years back in NBL1 south she is another player with a great work ethic and is always aiming to improve as a player each week. She is a great defender and will bring some great speed and athleticism to the group.
