### Definitions in this Agreement:

SQJBC: Southern Queensland Junior Basketball Competition  
GCCRBA: Gold Coast City Regional Basketball Association  
GCJBL: Gold Coast Junior Basketball League.  
State Championships: Annual State Tournament

Upon accepting this agreement, you are fully aware of your obligations for the 2024/2025/2026 representative season. By accepting this form, you understand and agree with the terms set out within this registration form and the Parent Player Handbook.

#### 12.1. Objective

To inform parents and players of GCCRBA's terms, conditions, and obligations. Disclosure of this information is made to preserve the well-being of the Association.

#### 12.2. Team Requirements

Teams will consist of:

- (a) 10-12 players, per team
- (b) 1 Head Coach
- (c) 1 Assistant Coach (if possible)
- (d) 1 Team Manager

#### 12.3 Team Selection and Expectations Post Selection

GCCRBA will nominate 1 to 5 teams (per age group) to compete in the representative season, consisting of SQJBC and State Championships, depending on meeting the Basketball Queensland requirements for nominating teams based on the number of junior players currently registered with GCCRBA and the quality of teams/ coaching staff.

- (a) Rollers: First team
- (b) Waves: Second team
- (c) Breakers: Third team
- (d) Tides: Fourth team
- (e) Combers: Fifth Team (12-16's only if applicable)

12.4 Teams will be selected based on several factors, including but not limited to, ability, attitude, and commitment.

12.5 Final decisions on team selections are made by the GCCRBA Independent Coaches panel.

- 12..6 All players and parents must understand that equal court time is not expected. Playing time will be determined by the coaching staff. The coaches will discuss any potential issues with the players and parents prior to selection and throughout the season.
- 12..7 All players and parents must understand that trainings and games are not optional, they are a part of being selected into a team. Acceptance of this agreement is that players attend all trainings and games for the season including State Championships.
- 12..8 The Gold Coast Representative program tries to keep a balance between being competitive and developing our players for the future. However, there are distinctions between expectation of minutes for our different representative teams. Below are the guidelines given to coaches.
- (a) Division 1 - We play to achieve our highest results; the coach has total discretion over court time. Bench players are given roles and must realise that they are there to support the players who have the majority of the minutes. In certain games players may only see the floor for limited minutes, potentially not at all in big games.
  - (b) Division 2 - We strive to compete - Winning is not everything, however for games that are close, the coach has the discretion to put the best group of five forward that are working together against the team they are playing. In non-competitive games, either up or down the coach should be then playing the other players, when possible, unless we are striving for a For and Against ratio to make the finals.
  - (c) Division 3/4 - We play to develop players - We have a starting five, but players should be rotated on a reasonable basis, based on skill performance and team dynamics. Most games, all players should get some court time, if the team is strong and scores are blowing out, e.g., winning by a large score - then more time given to players equally. If the team makes the final, then the culture of Division 2 and Division 1 Apply.
  - (d) Division 5-7 - We develop players - We have a starting five, but we give all players a fair amount of court time and a chance to develop. If the team makes the final, then the culture of Division 2 and Division 1 Apply
  - (e) Each team has its own distinct make-up and coaches have a lot of factors in place when deciding minutes. Attitude, attendance to trainings and games, parental behaviour all plays a part in deciding who plays. NOTE: If your child does not attend/participate in training (especially the week leading into games) do not expect them to have playing time at all.
- 12.9 Court Time Objectives  
It is truly an honour to be selected for a representative team. Many aspire to be in this position, but only a select few make the final cut. With that privilege comes the responsibility to uphold a winning culture—one rooted firmly in the spirit of the game.  
Remember, nothing is guaranteed. To earn your place and court time, you must:

- **Play hard** every moment.
- **Value the ball** and make every possession count.
- **Commit to great defence**—effort and focus are non-negotiable.
- **Be ready** every time you step on the court.

If players are not getting the court time they desire, reflect and ask yourself: *Am I doing everything I can to achieve my goals?* Growth begins with accountability. Avoid placing blame on others; instead, look within and focus on what you can control.

Embrace the team culture and the collective strength of our group. There's power in numbers—trust in your teammates and the system. Don't isolate yourself as a lone wolf; success is built through unity and collaboration.

Let's work together to make this season unforgettable!

Unless your child is bedridden or has a contagious disease, if they can walk, then they are expected to attend all training sessions, failure to attend a training session will affect your child's court time.

If your child is injured or has an illness, they are expected to attend all games in appropriate attire, (e.g., Gold Coast Warm up t-shirt and team shorts).

If your child participates in a club game and does not attend/participate in representative training that week, they will be removed from their representative team.

The Team Manager is the first point of contact if a player is unable to attend trainings or games. The team training times and venues are set for the season. Any changes that need to be made will only be done so in extreme circumstances, or if venues are not available.

At times teams will share courts where courts are unavailable

(b) Time Management

All players will have schoolwork (perhaps some with work commitments) during the season. We understand that schoolwork is paramount, however all players attending school are given their due dates for assignments and exam dates ahead of time, as well as the season training schedule.

There are 168 hours in a week and team training is taking 3 of those hours, plan your time wisely.

(c) Respecting Coaches Time

Many of our coaches have families of their own, I'm sure there are times during the season that they would much rather skip training and opt to spend time with their own families, however they have made a commitment to your children for the season if they must attend training so should the rest of the team.

Coaches also spend a considerable number of hours on formatting team training plans each week. Understand that if you call an hour before training to advise that your child will not be there, that has now affected the entire planned training session and wasted valuable hours of your coach's time.

Please be respectful and give ample notice of nonattendance at trainings/games. Advising the coach that you will be absent from training on the same day as a scheduled training for any reason other than injury or illness is not ok.

(d) Attitude -Players and Parents

On and off the court, we want our players to be seen to be positive and supportive. Parents should try to be the same when supporting and not being critical of their child/other players/refs/coaches. We understand that parents do have passion and want the best for their children, but there needs to be a realistic approach to how this is done. Parents that are reported on any occasion throughout the season and found guilty of any infringements will receive a season ban from all competitions and games.

Players body language is a big part of their projected attitude. Petulant displays will not be tolerated at representative level. Players who roll their eyes and constantly look to their parents in the crowd and not listening to their coaches will be penalised and can be sat for the game.

(e) Parents Coaching from the Sidelines

The following article sums up the message we are trying to get across to all parents. Read it, understand it, it will not be tolerated, in fact your child may not be selected as a result of parent behaviour, please see (f) Players entourage.

<https://www.basketballforcoaches.com/parents-coaching-sidelines/>

(f) Players Entourage

1. A player is deemed to be responsible for the behaviour and conduct of their entourage who attend events in which the athlete participates. The expression “entourage” includes parents, family members, coaches, trainers, friends, and any other person associated with the player.
2. If it is determined that a Code of Conduct breach has occurred by a member of the entourage, then it is open to Gold Coast Basketball to impose a penalty on the athlete as follows:
  - a. A determination that Gold Coast basketball will not accept nominations from that player for a specified period for future teams and may suspend the player from participating in all Gold Coast Basketball Programs for a specific period. This information will also be shared with Basketball Queensland.
  - b. It is to be noted that imposing a penalty on an athlete for the behaviour of their entourage is to be seen as a last resort and disciplinary action, except in extreme cases, such action would not be taken without first having sought to engage with and counsel the offending person and the athlete in relation to the unacceptable conduct.

(h) Players based outside of the Gold Coast

If your child is not based on the Gold Coast, Eg Logan, Brisbane or NSW they must still attend all trainings/games. There are no considerations given here. Additionally, SQJBC must take precedence over any NSW program, if players from these areas are not available for any games/tournaments as a result of a NSW program they are not eligible to represent Gold Coast.

(i) Team Communication

The primary source of communication for all teams is via a closed Team Facebook page. All team correspondence for the season will be communicated via this page. To access the page all parents will need to have access to a Facebook account. Team managers are not expected to text or email families individually outside of this communication page.

If you are not willing to have a Facebook account and register to the page, your child is not eligible to register for a team.

Once players have registered for the Prep for Rep Program (the parent and your child) agree to adhere to the terms and conditions of this document.

Failure to adhere to the above policies throughout the season will result in your child being removed from the team.

IF MY CHILD IS SUCCESSFUL IN MAKING A TEAM.....  
WHAT HAPPENS NOW?

13. If your child has been successful in making a team, you will be emailed within four days of the last session date. Upon receipt of the email, you must action the following within 24 hours:

- Register your child (at the link provided in the notification email) accepting their position on the selected team. Note that if the position is declined your child will not be eligible to represent Gold Coast Basketball in the 2024/2025 representative season and will not be eligible to trial for the 2025/2026 season.
- Note that there is nothing to pay on the initial registration form, you will be given a choice on the method of payment. You will then receive an invoice from Gold Coast Basketball within seven days.
- Join the team Facebook group within 24 hours of receipt of the invitation being sent.
- Select your uniform items (from the link provided in the email) player packs are compulsory for new players only and payment is made online at the time of ordering.

IMPORTANT PLEASE ENSURE THAT ALL EMAIL ADDRESSES LISTED ON THE PLAYER REGISTRATION FORM ARE CORRECT, WE WILL USE THESE AS THE PRIMARY SOURCE OF COMMUNICATION

#### 15 Behaviour Management Framework – [LINK](#) - IMPORTANT MUST READ

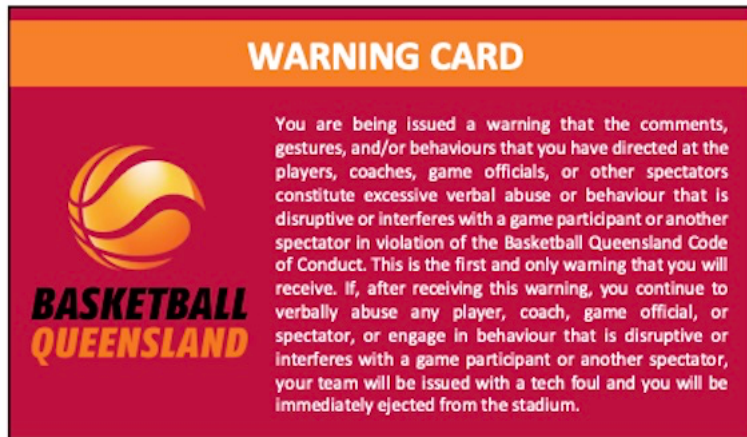

Purpose: The use of spectator warning cards has been introduced into Basketball Queensland competitions to address poor spectator behaviour that may occur at any time. This gives a visual indication that their behaviour has been addressed and warned that any continuation will result in further consequences.

The delivery of this warning card is noted to be calmer and more effective from a team manager or team personnel who has a personal relationship with the spectator, rather than an independent person from another association.

##### 15.1 Process of Warning Cards:

- Court controller and/or Referee Supervisor to pass on warning card to team manager or team personnel to issue to identified spectator.
- Team manager or team personnel to issue warning card to spectator and advise if behaviour continues, the team will receive a bench technical, and spectator will be ejected from the venue. • I
- If behaviour continues, the referee supervisor, court controller or BQ staff (if present) will stop the game at the next stoppage and the bench technical will be issued to the respective team bench and spectator will be ejected and removed from the venue. The game is not to restart until that spectator has been removed from the venue.

- If the spectator has received multiple warning cards over the course of a competition, this may result in a competition ban

### 15.2 Codes of Conduct

GCCRBA Codes of conduct are available on the Association website, anyone found in breach of the codes will be reported to GCCRBA. <https://goldcoastbasketball.com.au/wp-content/uploads/2017/07/Codes-of-Conduct-2014.pdf>

### 15.3 Zero Tolerance

To ensure a safe and enjoyable playing environment for all players, officials and participants, Basketball QLD have implemented a Zero Tolerance Policy for inappropriate behaviour for Parents and Spectators in the 2022/23 Junior Representative season.

The Policy will ensure that:

- There will be zero tolerance shown towards any inappropriate or abusive behaviour from parents and spectators.
- Any parent/guardian and/or spectator who feels the necessity to:
- Persistently or willfully question or challenge the rulings of the referees.
- Berate or abuse game officials i.e. referees and score table personnel
- Berate or abuse team officials.
- Berate or abuse players.
- Berate or abuse other parents or spectators.
- Berate or abuse any game day official such as a Court Controller, Referee Supervisor, Association Representative or Basketball Queensland Representative.
- Display conduct which is inappropriate in a sporting environment will be asked to leave the venue immediately by the Court Controller. No warnings need be given in the event of the above action becoming necessary.
- In addition to spectator behaviour being monitored by the Court Controller and Referee Supervisor if the referees have an issue with a spectator, they may stop the game and get the Court Controller and inform them of what has occurred to have the Court Controller remove the parent or spectator.
- If at any stage during a game a referee believes a spectator needs to be observed for poor behaviour, they may stop the game and ask the Court Controller to observe and monitor the spectator. The Court Controller will take any actions they deem necessary after observing the spectator (i.e. removing the spectator without warning)

#### 15.5. Off-court Incidences

- a) Any player, coach, assistant coach, or team manager that is reported to have been involved in any off-court incident (including pre and/or post-game), regarding any match officials, including behavioural actions, abuse or anything alike, will receive a penalty determined by the BQ Competition Manager.

A register will be available at each venue so that parents and or team officials can register. Please note it is also a requirement of participating in the BQJBC that players and their parents/guardians accept that Basketball Queensland, and all Associated bodies (i.e. State/Territory Associations and Institutes), may use photographs / video of a player and games during activities associated with the Junior Representative Program for publications (including BQ or Association websites and media outlets such as YouTube) to promote basketball in the future
