# WELCOME

Welcome game one of the 2026 NBL1 North season as the Gold Coast Rollers tip things off at home against the Logan Thunder.

There's a real sense of anticipation around the club as we begin a new campaign, with both our Women's and Men's teams ready to set the tone from the very first possession. Round 1 is always special, a fresh start, new energy, and the opportunity to showcase the work put in throughout the preseason.

We are proud to welcome new men's import Jimmy Whitt to the Rollers family. Jimmy brings a high-level skillset, leadership, and competitiveness that will make an immediate impact on both ends of the floor. We're excited for our fans to see what he brings in Rollers colours.

We also welcome back one of our own, returning import Ariana Moorer, whose presence continues to elevate our women's program. Ari's experience, professionalism, and ability to perform in big moments make her a key leader as we aim to build momentum early in the season.

Facing a strong Logan Thunder outfit in both games this afternoon presents an early test and a great opportunity to lay down a marker in the competition. Expect intensity, pace, and high-quality basketball as both clubs look to start their seasons on the right foot.

To our members, sponsors, and fans thank you for your continued support. Your energy in the stands makes a difference, and we're excited to have you with us for what promises to be an exciting season ahead.

Let's get the season started.

Go Rollers.
